Hello – I'm Haley Barbour.

In the aftermath of Hurricane Katrina, unique opportunities for recovery and renewal have emerged.

The road to recovery requires the best efforts of many stakeholders, such as builders, faith-based and non-profit organizations, business owners, and families.

All of these efforts will come together at the Governor's Recovery Expo
August 11-13 at the Coast Coliseum in Biloxi.

Come join us as we build a Mississippi that is better than ever.
